

Healing love

Equipment Required

| Plasters (big enough to be written on) |
| Markers/Pens |
| A large heart shape (A3 size) |

THEME

To grow in Christ means that we must be willing to commit what is hurting and in pain into Gods care – Allowing His healing love to get to work in our world and our lives. As leaders, its also important that we recognise that our world is in need. That pain and suffering is around us (and sometimes within us) *but* our God transcends and overcomes these things.

READ

Zephaniah 3.19-20

ACTIVITY

Who or what areas need Gods healing love at this time? These can be Global/National/Community/Personal

Reflect on this question. If any place, group or individual comes to mind in response to the question, write on the band aids provided and place on the heart.

Take the time to pray over what has been written by others, praying and believing in the power of God's healing love.
