Melodie McColl If our homes fall to pieces, are we allowed to go into another bubble.....?? Will we be resuced? Or I guess they are not allowed to break their bubbles to help or rescue 😊😊

Alexandra Davids Melodie we were in a meeting yesterday actually and it was brought up that council has plans in case of a flood orrrr an earthquake! Unsure what the plans are but there will be provisions in place. Yay chch for being prepared just in case! Fingers crossed 🙌 we don't need to use them 😊
