

Sacrifice

WHEN LOVE FLIES ON THE WINGS OF SACRIFICE

Tune: WINGS OF SACRIFICE

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

- 1. When love flies on the wings of sacrifice,
When anger dies and greed is seen as loss,
The letting go becomes our way of life,
A letting go which dwells within the Cross.**
- 2. Each sacrifice expands compassion's reach.
Through many little deaths new oneness grows
For those whom love enfolds with tenderness
Through wisdom which our deepest spirit knows.**
- 3. O Christ who died to spread a greater good,
Transform us as we listen to your call
To sacrifice the lesser things of life
And live a life of loving care for all.**
