THE CALL OF THE CHRIST IS TO INNER GROWTH

Tune: PILGRIM TRAIL

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

1. The call of the Christ is to inner growth
On paths we each can embrace,
A journey to Spirit's empowering wealth,
The source of each Christ-like grace.
2. The Spirit's bright way fills the heart with fire,
A fire transforming the dark,
For deep in the darkness the Christ light dwells,
The light with the cross-shaped mark.
3. The pathway of God is a pilgrim trail
Traversing the wilderness,
Its silence contains the music of God,
The songs of life's sacredness.
