

SUMMER

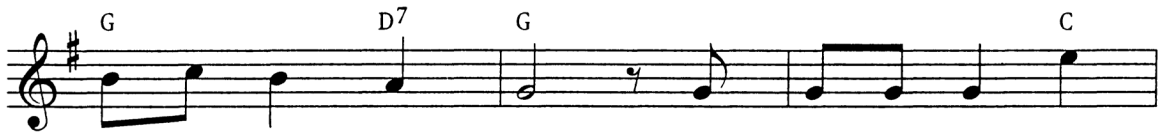

The Season of Life's Flowering 19

1 The sea-son of life's flower-ing, a time to share God's mirth,
2 The Sum-mer brings pro-fu-sion that bright-ens all our loves;
3 But deep-er than the beau-ty of an-y trees or flowers

a space for prayer where love can link win-ter's
blue skies and rain-bow col-ored blooms prais-ing
our Danc-ing Child, the In-ner Christ dwells in

death and Spring's new birth. To God who gives the
all that lives and moves.
all its mys-tic powers.

sun-light, to God who gives us warmth, we raise our joy-ful

Sum-mer praise at the noon-tide of the year.
