

# Ronald McDonald House® Charities New Zealand

RMHC® New Zealand supports families when their child is in a hospital away from home. Each year we offer over 4000 families across Aotearoa accommodation, meals and support free of charge. This relieves stresses like paying for a place to sleep near the hospital, organising family meals and needing a friendly ear to listen to on tough days

Being able to connect with other families who truly understand the heartbreak and challenges of having a sick child has been a godsend for us and so many others."
